## STUDENT SUPPORT

FNTI offers a **Learner Centered Environment** which respects Indigenous Learning Outcomes and provides excellent student support services. Each program has a **Student Success Facilitator** to help guide and support faculty and students. A **Cultural Advisor** is also present in each classroom to help **support the holistic well-being of the students**. If you need support don't be afraid to reach out. A helping hand will be there.

## DELIVERY METHOD

FNTI features an **Intensive Professional Delivery Mode**. Class sessions usually take place over one week (5 days) every four to six weeks, during the academic year. This allows those with work, family, and other obligations to balance all of their commitments. It also allows employers to build capacity at work by granting students time away, while continuing on the job.

## FOR EMPLOYERS

**Training assistance is available for employers and their staff through a partnership between Canada and the Ministry of Advanced Education and Skills Development, see link - Canada Ontario Job Grant:** [http://www.tcu.gov.on.ca/eng/eopg/cojg/cojg\\_faq.html#display](http://www.tcu.gov.on.ca/eng/eopg/cojg/cojg_faq.html#display) for an application form which could cover up to 2/3 of the cost of training for certificate and diploma programs up to one year in duration. **Please note that the application must be approved by the Ministry prior to start date of program. Do not register or apply for programs until you have received approval.** You can find more information on this program and identify a **Service Provider** in your area through this Ontario.ca link: <https://www.ontario.ca/page/employment-ontario>

## PROGRAMS IN DEVELOPMENT

A unique feature of FNTI is that we are **wholly Indigenous, flexible and responsive to education needs**. We take learning directly to communities. **Does your community have a need for specific educational programming?** Contact us today to find out if one of our programs would be a good fit for your location. In development at FNTI is an Indigenous Early Childhood Education (ECE) program to meet the needs of Canada's fastest growing communities.
